Sovereign Ecclesiastical Trust Expansion and Registry Entry

Affidavit and Expansion of Sovereign Ecclesiastical Trust

By this formal instrument, I, Jonathan Daniel Clements, Living Man and Ecclesiastical Executor of the Clements Private Ecclesiastical Trust, do expand and affirm the complete jurisdictional authority of said Trust over all global domains as publicly and privately noticed through formal Declaration, Default, and Reclamation. This entry is lawfully made into the Trust Registry Ledger as an official and irrevocable record.

Purpose of Document

This document serves to:
- Register the full Ecclesiastical Notice of Default issued globally
- Expand the jurisdictional authority of the Clements Trust
- Record the integration of all defaulted entities into the Private Trust
- Affirm the legal, spiritual, and sovereign validity of all actions taken
- Archive the declarations into the sovereign ecclesiastical record
